

Step 1:

Instructions:

Print once on your home printer on 8.5" x 11" paper.
Cut out and use as a template to trace onto cardboard.
Keep original cardboard as your template. Make 4 and
attach to each other with black masking tape.

Not for commercial use.

*This was provided as a free template created by

Step 2: Bottom Template

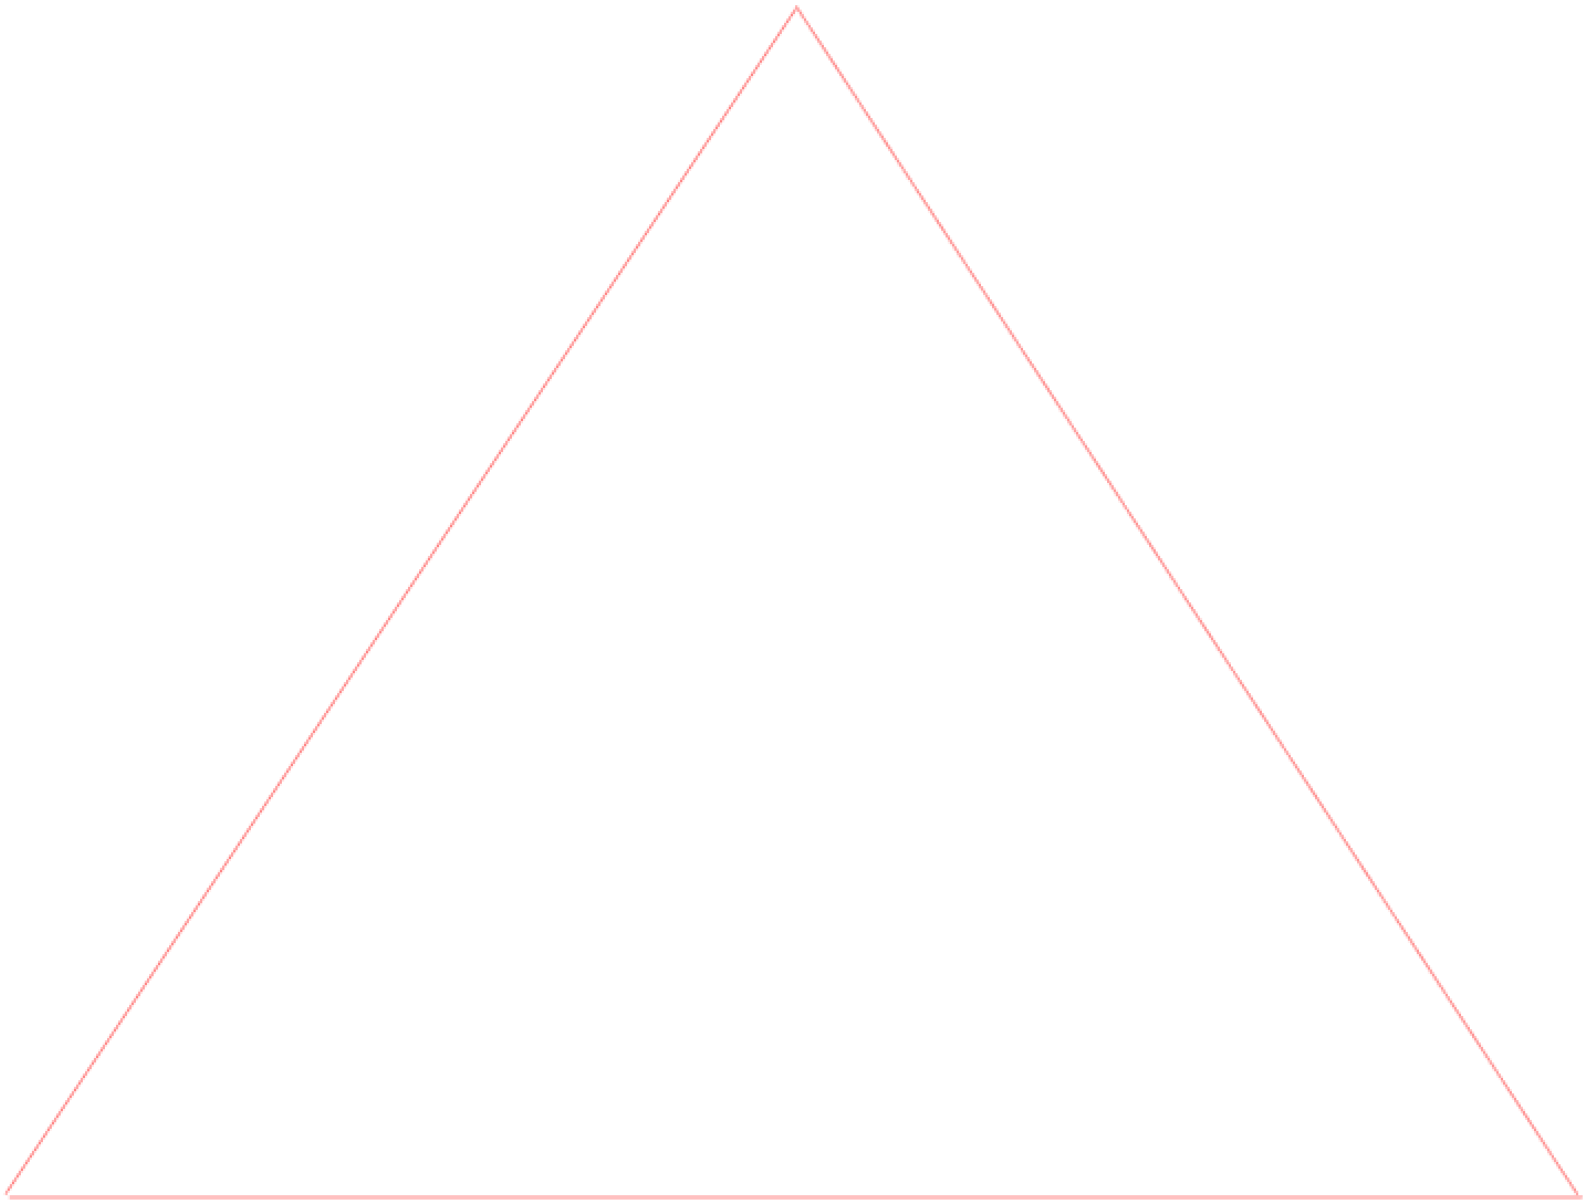

THIS TEMPLATE IS THE BOTTOM - ATTACHES TO THE 4 SIDES. DO THIS AFTER YOU ATTACH THE 4 SIDES ON STEP 1

MOVE ONTO STEP 3!

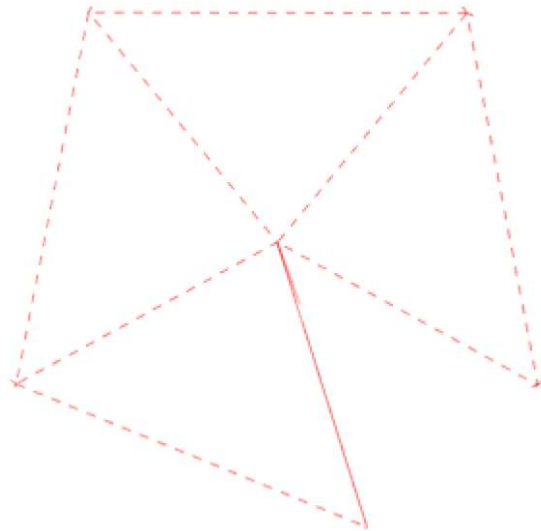

Step 3: Print this once. See next page for instructions

Template #3: Lid for Lantern

Template #3 Visual Instructions
(don't print...this is simply giving you guidance on how to

TRACE 4 TIMES INTO A SHAPE LIKE THIS

use template #3)

**LIGHTLY SCORE THE UNDERSIDE FOLD INTO THIS
SHAPE AND TAPE THE OPEN SIDE WITH BLACK
MASKING TAPE**
